**Minutes of May Court.**

The regular term of May court convened Monday with Judges Hinckley, Aul and Morgan on the bench. There being no business requiring their presence, all jurors were notified last week not to attend. The session lasted but one day and was given over to the hearing of the constables' returns, arguments, motions and petitions.

The case of the Commonwealth versus Warren Cook, charge f and b, and that of C. O. Thomas, charge receiving a stolen ten, were on motion continued in September term. The case of the Commonwealth versus Frank Jones was also continued to September term.

A subpoena in divorce was granted in the case of Jessie Berlin vs. Jacob Berlin. On petition of the citizens of Jenks and Barnett townships, Surveyor D. W. Clark and T. F. Ritchey and J. T. Carson were appointed a board of viewers to vacate a certain portion of a public road passing through these townships.

The bonds of the tax collectors of Kinsley, Green, Hickory and Barnett townships were presented and approved. G. W. Sawyer and J. D. Davis were appointed appraisers of the estate of Forest Alexander, deceased.

Amon Carson resigned as constable of Harmony township. The court filed an opinion refusing to open the judgment in the case of J. F. Proper vs. J. C. Dunn.

The constables of Tionesta Boro and Kinsley and Hickory townships reported no index boards in place, and loose stones were also reported in a majority of the roads in the county, all of which the court ordered should be attended to without delay. The constable of Green township reported that a three ton roller was soon to be put on the roads in that township for the purpose of leveling the road and crushing the loose stones.

The injunction proceedings of the State Highway Department vs. the Sheffield & Tionesta Railway Company were heard, and representatives of the Department met Mr. Collins, president of the railroad, and the case will in all probability be amicably arranged within the next few days on such reasonable terms as should be satisfactory to both parties to the controversy, and work on the railroad will not be seriously interfered with. We understand that in two or three places along the railroad's right of way between Tionesta and Nebraska, where the public highway was laid out by the State's engineers is narrow, the engineers have agreed to recommend to the department a narrowing of the road from 33 feet to 20 feet. This change would let Mr. Collins out of a difficulty and he could build his road with little trouble or added expense.

**RECENT DEATHS.**

**HOLLISTER.**

Jan Kelsey Hollister, wife of Elisha Hollister, was born at Kinzua, Warren county, Sept. 8, 1850, and died at the family home, Tionesta, (west side) Friday morning, May 17, 1912. She was a daughter of James Kelsey and wife, old residents of Warren county, where she grew to young womanhood. She was twice married, her first husband being B. F. Conners, now deceased. To this union six children were born, five of whom survive, Daniel, Mural, and Laura May, whose present residences are unknown; James of Kinzua, and Leroy of Tionesta. About fifteen years ago she was united in marriage with Elisha Hollister, who, with one son, aged about six years, survives. The family came to this community about seven years ago, which has been their home since. Mrs. Hollister was a consistent member of the M. E. church, and bore the respect and esteem of all her neighbors. Her illness was of short duration. She had returned Wednesday evening prior to her death from a visit to her husband, who was employed at Woodlawn, Pa., and was seized with what seemed an attack of acute indigestion.

**ZUENDEL.**

Death came suddenly to Ernest E. Zuendel last Sabbath afternoon, May 19, while stopping at the boarding house of Mrs. Johnson, at Endeavor, Pa. He had been employed in assisting mason Charles W. Smith in doing some work on the premises of N. P. Wheeler, Jr., during the week and was seized with illness which terminated in a stroke of apoplexy from which he did not regain consciousness, death ensuing at 2:30 as above stated. The deceased was the son of Henry A. and Anna Christina Zuendel and was born on the old homestead, Starr postoffice, July 24, 1859, where he grew to manhood. May 2, 1889, he was united in marriage with Miss Anna Ledebur, who, with five sons and four daughters survives, namely, Roy, Rex, Ray, Walter, Chester, Mary Alice, Effie, Alta and Helen. Besides these he is also survived by his mother and the following brothers and sisters: George, Henry, Conrad, John, Elizabeth and Mary Zuendel, all residing in the community of German Hill. In his younger days he fitted himself for school teaching which he followed a number of years, but gave up this profession to engage in saw mill work and farming, in which latter he had been engaged for several years past, residing on the farm of the late Adam Zuendel, near Starr, at the time of his death. Residing at Endeavor when the Presbyterian society was organized there he united with that church.

Funeral services in his memory were held yesterday afternoon, conducted by Rev. J. F. Scherer of Endeavor, followed by interment in the Zuendel cemetery, within sight of his birthplace.

In this connection his family desire to express thanks to the friends who gave them the aid and sympathy in this bereavement, especially to the people of East Hickory and Endeavor for great kindness shown in the last illness of the deceased.

In assisting in felling a tree the young man was struck on the head by a limb which was broken from another tree by the one falling, crushing his skull and breaking his neck. Dr. Morrow of West Hickory was hastily summoned, but when he reached the place, which is about nine miles above Endeavor, the man was dead. In fact he lived but a short time after being struck.

The Post, Relief Corps and all will meet at the Hall at 1:15 p. m. sharp, and march to the river bridge where flowers will be strewn upon the waters in memory of the departed sailor dead, after which all will march to Riverside cemetery conducting the ceremonies there.
